Chris and Ping:

My *Classic* VIP Club just completed the Vietnam, Cambodia and Thailand tour on November 10, 2015. What an experience that left a footprint on our hearts. Start to finish, the tour was great with many people-to-people experiences, several modes of transportation allowing us to see the countries by road and water and traveling country to country by air. We all felt we had the best possible experience by traveling so much by land and seeing much more than can be seen when traveling on the river, though we loved our junk cruise on Ha Long Bay – truly a highlight. Ping did an excellent job of coordinating every detail of the tour.

The group thoroughly enjoyed the variety of restaurants and having the opportunity to sample the local fare. The hotels were beautiful and centrally located for further exploration in our free time. Our local guides provided excellent commentary, history and personal notes about life in their cities. Especially appreciated were all of the UNESCO World Heritage Sites that we had the opportunity to explore.

All in all, this was a perfect experience with excellent execution. A special thank you for all of the surprises you included for the group!

Best regards,

Terree Warren, *Classic* VIP Club Tour Director
