Dear Ping and Chris,

On behalf of our 29 AmeriClub travelers to China, thank you for your wonderful efforts in providing a quality, memorable, trip-of-a-lifetime experience for us.

Your attention to organization and detail is remarkable. All components (accommodations, meals, tour guides, tour inclusions, etc.) of our 15-day tour were exceptional. There were so many WOW experiences included, and many times I heard the comment by our travelers that "this trip exceeded my expectations."

The session Chris presented to our group, detailing differences between Chinese and Western cultures, was educational and added an extra dimension of understanding as we traveled throughout China and interacted with its people. Because you have lived in both China and the United States, you understand both cultures and can therefore very successfully design travel opportunities that appeal to the American traveler while exposing us to unique aspects of Chinese life.

I would highly recommend China Plus to anyone considering traveling to China and Southeast Asia. Your company has earned a fine reputation for its service level, professionalism, and quality product.

I am excited to work with you in the future on a tour to Southeast Asia, as I know that no one could do it better.

With thanks and kindest regards,

Julia Terwillegger
