To Whom It May Concern:

I recently had the privilege of traveling with Chris Lee, owner of China Plus Tours, for my "Premier Club" 21 day tour of China and Tibet; and I would highly recommend them for any group travel. Chris Lee brought his passion for the destination, love of travel, dedication to details and excellence in service to our tour. China Plus Tours did not offer the same old "cookie cutter" tour of China but listened to the wish list of my club members and then helped me to design a tour that filled those travel dreams.

The travel experience Chris and China Plus Tours delivered to my club members made our tour a journey of a live time! The personal service, flexibility and positive response to the unique demands of my travel program will keep me coming back to China Plus Tours.

Please feel free to contact me directly by calling 1-208-678-8615 or by email at [vkelsey@dlevans.com](mailto:vkelsey@dlevans.com) for any additional information regarding the excellent travel service I have experienced with China Plus Tours.

Sincerely,
